it's sensational!

it's new!

Everybody's Talking About It!

SHAIN'S

NORTHCOOL Two-Tone
Iridescent Nylon Mesh

More than
a new Mesh!

It's an iridescent knitted nylon mesh, with a 3-dimensional sheen, with Shain's permanent finish. SHAIN NORTHCOOL adds sparkling style and sell appeal! Don't accept imitations. For a profit-winning promotion, insist on SHAIN'S NORTHCOOL, that still keeps nylon mesh in the forefront for men's footwear.

We suggest that men's shoe retailers contact their manufacturers for Shain's patented NORTHCOOL nylon mesh.

RONA Synthetic PEARL ESSENCE for that new PEARL FINISH fashion for 1955

For Use On

*Calf, Kid, Reptiles,
 and many other applications*

*Adds a beautiful lustre
 and brilliance to all colors*

SYNTHETIC PEARL ESSENCE
*available in a nitrocellulose
 lacquer base or a water
 dispersion at very low cost*

NATURAL fish scale PEARL ESSENCE
*available for certain luxurious
 iridescent pearlized finishes in a
 nitrocellulose lacquer base only*

Rona Pearl Essence requires no additional labor or equipment. Use your present method of application—brush, spray or dip—simply add Rona Pearl Essence to your present top finish material. May be used over pigments or mixed with transparent pigments or dyes.

RONA LABORATORIES, INC.

356 Doremus Avenue, Newark, New Jersey
 Largest exclusive manufacturers of Pearl Essence and Pearlescent Pigments in the world.

With tanners who know . . . tanners who have tried the rest . . . tanners who insist upon the finest, Atlas is synonymous with Quality in oils. They are the ones who will tell you, "Since 1887, Atlas Refinery has been supplying oils which not only meet rigid laboratory standards but also the practical working standards of Tanners everywhere."

We shall appreciate the opportunity to discuss any phase of your fatliquoring problems.
